

Welcome to Hoppock! 2017-2018

Dear Parents,

I am the Homeroom Parent Liaison for Hoppock. I will represent the interests of all middle school students at BTPTA meetings, coordinate parties and events throughout the year, and assist the Hoppock staff as requested. Of course, I need your help! Indicating your desire to help below will help me create a list of volunteers I can call on throughout the year. Individual grade level room parents will not be selected.

Please complete the bottom portion of this letter and return to the main office c/o Kayla M – 6L by Friday, September 15th. As you can see, we are collecting \$15 per child. \$5 will be used to create tricky tray baskets for the Main Event fundraiser in February. The other \$10 will cover the cost of the school-wide holiday party in December, a Cinco de Mayo friendship celebration at Heritage Park in May, and Field Day lunch and snacks. A number of great ideas are being suggested to complement the dances sponsored by the Student Council each year. Please fill out the survey below with your child so we know which events to plan.

Thank you for your support. Please feel free to contact me with any questions.
