

Welcome to Hoppock!
2021-2022

Dear Parents,

I am the Homeroom Parent Liaison for Hoppock students. I will represent the interests of all middle school students at BTPTA meetings, coordinate parties and events throughout the year, and assist the Hoppock/Conley staff as requested. Of course, I need your help! Indicating your desire to help below will help me create a list of volunteers I can call on throughout the year. Individual grade level room parents will not be selected.

Please complete the bottom portion of this letter and return to the main office c/o Johnny Mulhern by Friday, September 10th. As you can see, we are collecting \$10 per child. In addition to the school-wide holiday celebration in December, Field Day lunch and snacks, we will fund or offset the cost of activities based on the funds collected if any scheduled events are to occur within the guidelines of Covid and our school. A number of great ideas are being suggested. Please be on the lookout for discounted tickets to the Haunted Mill in the next few weeks as well as other great events!

Thank you for your support. Please feel free to contact me with any questions.
